

This letter is in response to the Commission's request in regards to our Committee's Year End Report. The amendment to this report was filed May 4, 2007.

-On October 17, 2006 the Democratic Congressional Campaign Committee designated the Nevada State Democratic Party as the agent of the DCCC for the exclusive purpose of making expenditures on behalf of Congressional candidate, Jill Derby, up to \$79,200.00. The disclosed expenditures made on behalf of Jill Derby totaled \$72,556.62, less than the limit. -The information that was previously missing for the occupation & employer of several individuals who contributed in excess of \$200 has been obtained and disclosed. -The occupation & employer for contributors previously described as Business Executive/Self and Businesswoman/Self have been amended to give more detailed information. -The receipt(s) reported on Schedule A supporting Line(s) 11(c) from Berkley for Congress, Carter for Senate Committee, Hafen for Congress Election Committee & Hoyer for Congress Committee have been amended to show them as transfers. -The Nevada State Democratic Party inadvertently deposited the check from Nevada Senate Democrats into our Levin account. On May 3, 2007 we issued a refund to the Nevada Senate Democrats and that refund will be disclosed on the June monthly report. A copy of the refund check is being mailed to the Federal Election Commission per our phone conversation on May 1, 2007. -The expenditures on Schedule H6 supporting Line 30(a) for mail piece production have been clarified to disclose that the disbursements were not on behalf of any clearly identified candidate for Federal office. -On Schedule B all expenditures for catering, annual dinner and reimb./room rental have been clarified to show that none of the expenditures were on behalf of any specifically identified Federal candidates. -All payments reported on Schedule B supporting Line 30(b) for Ad/Chinese newspaper, etc. have been amended to give more detailed information. -The funds transferred in to the Nevada State Democratic Party from the Democratic National Committee, Democratic Congressional Campaign Committee, & Democratic Senatorial Campaign Committee were not used as the federal component of any Federal Election Activity reported on Schedule H6. The Nevada State Democratic Party maintains a separate bank account for transfer funds received from the DNC, DCCC and the DSCC. -The wrong allocation ratio was inadvertently used for the disbursements reported on Schedule H6. The ratio has been corrected and is now the correct ratio for the 2005/2006 election cycle. -The allocated activity or event year-to-date totals on Schedule H6 for the GOTV category(s) have been amended to show the correct calculations. -The expenditures reported for Catering on Schedule H6 have been amended to disclose that all disbursements were for food for volunteers and staff and not on behalf of any specifically identified Federal candidate. -Schedule H6 has been amended to include a brief statement or description of the disbursements to clarify Get Out The Vote expenses. -Schedule L-B supporting Line 4(c) of the Schedule L Aggregation Page for the Non-Federal Levin account has been amended to include the purpose of disbursements for payments to various vendors. -Schedule H6 has been amended to provide memos with the original vendors of payments made to the credit card company. -The disbursements for payroll taxes & salaries reported on Schedule H4 were for employees who spent less than 25% of their compensated time on Federal Election Activity in a given month or on activities in connection with a Federal election. -The payment disclosed on Schedule H4 for \$150 for Janitorial Services was a payment to an individual who is not an employee of the Nevada State Democratic Party. -The contribution from the United Food & Commercial Workers has been amended and it is now disclosed on Schedule A, supporting Line 11(c) of the Detailed Summary Page.
